It's **G** beginning to look a **C** lot like **G** Christmas
G Everywhere you **C** go
Take a **Am** look at the five and **D7** ten, it's **G** glistening once **Em** again
With **D** candy canes and **A** silver lanes that **D** glow

It's **G** beginning to look a **C** lot like **G** Christmas
G Toys in every **C** store
But the **Am** prettiest sight to **D7** see is the **G** holly that will **Em** be
D On your **A** own **D** front **G** door

A pair of **B** Hopalong boots and a pistol that shoots
Is the **Em** wish of **B** Barney and **Em** Ben
A Dolls that'll talk and will go for a walk
Is the **D** hope of **A7** Janice and **D7** Jen
D And Mom and Dad can hardly wait for school to start again

It's **G** beginning to look a **C** lot like **G** Christmas
G Everywhere you **C** go
There's a **Am** tree in the Grand **D7** Hotel, **G** one in the park as **Em** well
It's the **D** sturdy kind that **A** doesn't mind the **D** snow

It's **G** beginning to look a **C** lot like **G** Christmas
G Soon the bells will **C** start
And the **Am** thing that'll make 'em **D7** ring is the **G** carol that you **Em** sing
D Right **A** within **D** your **G** heart

It's **G** beginning to look a **C** lot like **G** Christmas
G Toys in every **C** store
But the **Am** prettiest sight to **D7** see is the **G** holly that will **Em** be
D On your **A** own front **D** door
Sure, it's **Am** Christmas **D** once **G** more
