Am Once was a sweet thang baby, held out love in our hands

Am Now I reach to kiss your lips the touch don't mean a thing **(stop)**

And that's a cold **D** shot baby, yeah that's a **Am** drag

Cold **D** shot baby, **E7#9** I let our love go **Am** bad

Am Remember the way that you loved me, do anything I said

Am Now I see you out somewhere you **(stop)** won't give me the time of day

And that's a cold **D** shot darlin', yeah that's a **Am** drag

And that's a cold **D** shot baby, **E7#9** we let our love go **Am** bad

A G A D C (riff x4)

Instrumental over verse

Am I really meant I was sorry, **Am** for ever causin' you pain

Am You showed your appreciation by **Am** walkin' out anyway

And that's a cold **D** shot baby, yeah that's a **Am** drag

And that's a cold **D** shot baby, **E7#9** we let our love go **Am** bad
