[Capo 2]

[intro] E E B E E

I caught E every single red light as I cried my way back home
My good E lord she turned me sideways in the B7 end
But I will E never let nobody do me twice what she done wrong
Fool me E once, shame on B7 you, I'll be E gone E7

[Chorus]

Fool me A once and I'll be gone
I'm gonna E leave my house and home
I'm gonna E go out on the road and sing my B7 songs
I might E find a love sometime, I might even walk the line
Fool me E once, shame on B7 you, I'll be E gone

[solo] E E B E E

You can E trick me into thinking that you love me for awhile
You can E make me think your love was really B7 real
But I will E read between the lines Before you shine your plastic smile
And when I E do, I will B7 run for miles E and miles E7

[Chorus]

[solo] E E B E E

[Chorus]
