Intro instrumental 1st verse

C You've got good lovin with me babe

F How could you put it in jeopardy

G You know your've gonna lose me

C I told you again I'd have to leave

C I tell you I need love to get me through

F You answer with the kiss of death for me and you

G when you kill a love that true

C Its just too late to be blue

CHORUS

becz I told you **F** baby, I need my lovin too **C**

I told you baby **D7**, I need good lovin, get a clue **G7**

I told you baby **F** I need a love that's true

G I got a good lovin baby **F** waiting to fill your shoes **C**

LEAD verse and chorus

C We've got those good lovin blues

F Sometimes you've just got to choose

G the lesser of two miseries

C and find what's true

CHORUS

repeat last chorus line 3 xs
