CHORUS:

C Dirt made my lunch,

F Dirt made my **C** lunch.

F Thank you Dirt, **C** thanks a bunch,

F For my salad, my sandwich

C My milk and my munch 'cause

G Dirt, you made my **C** lunch.

Am Dirt is a word that we **C** often use,

Am When we're talkin' about the earth **C** beneath our shoes.

Am It's a place where plants can **C** sink their toes;

F In a little while a **G** garden grows.

CHORUS

Am A farmer's plow will **C** tickle the ground,

Am You know the earth has laughed when **C** wheat is found.

Am The grain is taken and **C** flour is ground,

F For making a sandwich to **G** munch on down.

CHORUS

Am A stubby green beard grows **C** upon the land,

Am Out of the soil the **C** grass will stand.

Am But under hoof it must **C** bow,

F For making milk by **G** way of a cow.
