

# She Left Me For Jesus chords by Hayes Carll

## CHORDS

**A**  
We've been datin' since high school

**D**  
We never once left this town

**A**  
We use to go out on the weekends

**D**  
And we'd drink 'til we drowned

**G** **Bm**  
But now she's actin' funny, and I don't understand

**A** **D**  
I think that she's found her, some other man

**G** **D**  
She left me for Jesus, and that just ain't fair

**A** **D** **D7**  
She says that he's perfect, how could I compare

**G**  
She says I should find him

**Bm**  
And I'll know peace at last

**A** **D**  
If I ever find Jesus, I'm kickin' his ass

**A** **D**  
She showed me a picture, all I could do was stare

**A** **D**  
At that freak in his sandals, with his long pur-ty hair

**G** **Bm**  
They must think that I'm stupid, or I don't have a clue

**A** **D**  
I'll bet he's a commie, or even worse yet a Jew

**G** **D**  
She left me for Jesus, and that just ain't fair

**A** **D** **D7**  
She says that he's perfect, how could I compare

**G**  
She says I should find him

**Bm**  
And I'll know peace at last

**A** **D**  
If I ever find Jesus, I'm kickin' his ass

**G** **Bm** **A** **D**

**A** **D**  
She's given up whiskey, and a-takin' up wine

**A** **D**  
While she prays for his troubles, has forgot about mine

**G** **Bm**  
I'm a-gonna get even, I can't handle the shame

**A** **D**  
Why last time we made love, she even called out his name

**G** **D**  
She left me for Jesus, and that just ain't fair

**A** **D** **D7**  
She says that he's perfect, how could I compare

**G**  
She says I should find him

**Bm**  
And I'll know peace at last

**A** **D**  
If I ever find Jesus, I'm kickin' his ass

**G** **Bm**  
It coulda been Carlos, or even Billy or Ted

**A** **D**  
But if I ever find Jesus, he's gonna wish he was dead

**G** **D**
