A Sunshine go away today
I don't feel much like **E** dancing
A Some man's gone, he's tried to run my life
Don't know what he's **D** asking

A He tells me I'd better get in line
Can't hear what he's **E** saying
A When I grow up I'm going to make it mine
But these aren't dues I been **D** paying

D How much does it cost, I'll **A** buy it
D The time is all we've lost, I'll **A** try it
D But he can't even **A** run his own life
I'll be **G** damned if he'll run **E** mine, Sunshine

A Sunshine go away today
I don't feel much like **E** dancing
A Some man's gone, he's tried to run my life
Don't know what he's **D** asking

A Working starts to make me wonder where
The fruits of what I do are **E** going
A He says in love and war all is fair
But he's got cards he ain't **D** showing

D How much does it cost, I'll **A** buy it
D The time is all we've lost, I'll **A** try it
D But he can't even **A** run his own life
I'll be **G** damned if he'll run **E** mine, Sunshine

A Sunshine come on back another day
I promise you I'll be **E** singing
A This old world, she's gonna turn around
Brand new bells'll be **D** ringing
