**Bm** We watched him drink his pain away **A/C# D** a little at a time  
**Bm** But he never could get drunk enough **A/C# D** to get her off his mind  
Until the **A** night

**D** He put that bottle to his head and pulled the **A** trigger  
**Bm** And finally drank away her **G** memory  
**D** Life is short but this time it was **A** bigger  
**Bm** Than the strength he had to get up off his **G** knees

**D** We found him with his face down in the **A** pillow  
**Bm** With a note that said "I'll love her 'til I **G** die"  
**D** And when we buried him beneath the **A** willow  
**G** The angels sang a whiskey **Bm** lullaby

**Bm** La **G** 2x

**G** The rumors **D** flew, but nobody **G** knew how much she blamed **Bm** herself  
**A** For years and **D** years she **G** tried to hide the whiskey on her **A** breath  
**Bm** She finally drank her pain away **A/C# D** a little at a time
